

#OETC21 Session Formats & Lengths

#OETC21 Session Formats

Learn Today, Do Tomorrow

Learn Today, Do Tomorrow sessions are traditional lecture or panel style sessions, where the presenter or moderator leads the session with minor interaction from the audience.

Discuss & Discover

Discuss & Discover sessions provide opportunity for presenter facilitated interaction, through question and answer, moderate activities, or small groups. Sessions should be designed in order to increase collaboration and information sharing between attendees.

Make. Build. Do.

Make. Build. Do sessions are hands-on activities, makerspaces, bring your own devices, etc., that are deeply interactive sessions, with intense audience participation.

#OETC21 Virtual Session Lengths

Zoom Fatigue is real! With that in mind, #OETC21 is reducing the length of our virtual presentations to better accommodate our attendees' needs.

Virtual Educational Session

Virtual Educational Sessions are 45-minute pre-recorded sessions with question and answer opportunities with the virtual presenter present during the session at #OETC21.

Virtual Extended Educational Session

Virtual Extended Educational Sessions are 90-minute pre-recorded sessions with question and answer opportunities with the virtual presenter present during the session at #OETC21. These Virtual Extended Educational Sessions are expected to be interactive, high quality, hands-on sessions and will be very limited.
